

# TECHNICAL DATA SHEET

## USAGE INSTRUCTIONS

- **EACH** bottle is for addition to 1 litre water-based paint or varnish
- **SHAKE** bottle well before use and add immediately. When adding to paint **STIR THOROUGHLY** with a powered paint mixer or shaker for 5 minutes **BEFORE** use **AND** stir regularly **DURING** use.
- Mixing should ensure complete dispersion.
- Retrace AV is a contact antimicrobial and is therefore only effective in the top/final coat.
- The coating should be fully dry (see paint instructions for use) before allowing contact by humans or animals.
- The biocidal effect begins when the product is fully dry and remains active provided the surface is kept free from contaminants and the coating is maintained.
- Annual verification service available.

## HEALTH, SAFETY AND ENVIRONMENT

- **KEEP OUT OF REACH OF CHILDREN.**
- **IF INHALED:** If breathing is difficult, remove to fresh air and keep at rest in a position comfortable for breathing.
